Notes

1. Our Club membership fee is reduced on a quarterly basis through the year
2. **Concessions** are given to swimmers over the age of 65 and to those on low income (e.g. Students). If you need advice on this point please speak in confidence to the treasurer or any member of the committee. Concessions do not apply to the Copper rate. Concession rates are 75% of the full fee.
3. It is expected that a swimmer will not normally change their swim fee category more than once per year. Please speak to the coach before requesting a change.
4. If you know you are going to be unable to attend training sessions for a month or longer for any reason (illness, long holiday, work etc.) **please do not cancel the DD with your bank** because this counts as a “failed payment” and the Club will be charged a fee by GoCardless. - **Instead please contact the treasurer:**
treasurer@gloucestermasters.com who will pause your Direct Debit.
